Chairman's Letter to Optionholders

Dear Optionholder,

Golden Cross Resources Options (ASX Code GCRO) Expiring on 30 September 2006

You are registered as the holder of GCR listed options exercisable at 5 cents each, which expire on 30 September 2006.

The number of options held by you is shown on the attached barcoded Application for Shares on Exercise of Options. Each option entitles the holder to subscribe for one share.

Following are recent market prices of Golden Cross Resources shares and options.

| | Shares | | Options | |
|-------------------|------------|----------------|-----------|----------------|
| Last sale | 9.6 cents | 24 August 2006 | 4.3 cents | 24 August 2006 |
| Last three months | 10.0 cents | 23 August 2006 | 4.6 cents | 23 August 2006 |
| Last three months | 4.5 cents | 26 June 2006 | 0.7 cents | 26 June 2006 |

Westchester Financial Services Pty Limited has underwritten the exercise of the 107 million options in consideration of an underwriting fee of 4%, conditional on the option exercise being fully sub-underwritten and the performance of the sub-underwriters.

The agreement for the underwriting of the options provides for the sub-underwriting of the exercise of 50 million options on a firm basis. The Company has agreed that it will meet its obligations to the firm sub-underwriters firstly to the extent of any options not exercised by existing holders and secondly by an issue of new shares at 5 cents per share. If all of the underwritten options are taken up by their existing holders, 157 million shares will be issued, raising \$7.6 million after costs. The Company would then have approximately 515 million shares on issue.

Procedure to Exercise Your Options

You may exercise all, some or none of your options. If you elect to exercise your options you should do the following:

1. Complete the attached Application form, indicating the number of options you wish to exercise.
2. Make payment by cheque, credit card or BPay, and return the form to Registries Limited as detailed on the Application form.

If you wish to exercise your options it is imperative that your option exercise notice and payment reach Registries Limited by 30 September 2006. **After 30 September 2006 the options will automatically expire and have no value.**

Quotation of your options by the ASX will cease on Friday 22 September 2006, which is the last day you will be able to trade your options on the ASX.

Your support of Golden Cross is much appreciated.

Yours faithfully

Christopher Ryan
Chairman
