RESOLUTION 6: ORDINARY RESOLUTION TO RE-INSTATE THE ISSUE OF TEN CONVERTIBLE NOTES TO MR YUANHENG WANG

An ASX review determined that Listing Rule 10.11 applies because related parties participated in the issue of convertible notes. Accordingly, ASX issued the Company with a letter dated 14 July 2020 in relation to a breach of Listing Rule 10.11, as no shareholder approval at a general meeting had been sought prior to the issue of these convertible notes.

The Company has applied a holding lock to these convertible notes and agreed to remove all conversion rights from these notes. These notes therefore became unsecured loans made to the Company by related parties participating in the issue aforesaid.

The Company is now proposing to issue Mr Yuanheng Wang ten Convertible Notes.

The terms of the Convertible Notes are set out below:

The Convertible Notes have a face value of \$10,000 per note and mature on 30 January 2021, which may be extended for another year. They are convertible on or before the maturity date into Fully Paid Ordinary Shares in the Company at \$0.024 per share, a 26.3% premium to the last sale price of 1.9 cents per share, or will otherwise become repayable in cash by the Company at the maturity date. Under the Convertible Note Subscription Agreement, dated 30 January 2020, conversion shares may be subject to a 12-month trading restriction.

Each Convertible Note upon conversion will result in issue of 416,666 shares in the Company.

Listing Rule 10.11 provides that unless one of the exceptions in Listing Rule 10.12 applies, a listing Company must not issue or agree to issue equity securities to:

- 10.11.1 a related party;
- 10.11.2 a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (30%+) holder in the company
- 10.11.3 a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (10%+) holder in the company and who has nominated a director to the board of the company/responsible entity of the trust pursuant to a relevant agreement which gives them a right or expectation to do so;
- 10.11.4 an associate of a person referred to in Listing Rules 10.11.1 to 10.11.3; or
- 10.11.5 a person whose relationship with the company or a person referred to in Listing Rules 10.11.1 to 10.11.4 is such that, in ASX opinion, the issue or agreement should be approved by its shareholders,

unless it obtains the approval of its shareholders.

The issue falls within Listing Rules 10.11.1 and does not fall within any of the exceptions in Listing Rules 10.12. The Company therefore requires the approval of its shareholders under Listing Rule 10.11 for the issue.

If Resolution 6 is passed the Company will be able to proceed with the issue of ten Convertible Notes to Mr Yuanheng Wang.

If Resolution 6 is not passed the Company will not be able to proceed with the issue and will not issue ten Convertible Notes to Mr Yuanheng Wang and therefore the existing debt will become repayable in cash as per the terms of the Convertible Note Subscription Agreement.

Listing Rule 10.11 provides that unless one of the exceptions in Listing Rule 10.12 applies, a listing company must not issue or agree to issue equity securities to:

- 10.11.1 a related party;
- 10.11.2 a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (30%+) holder in the company
- 10.11.3 a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (10%+) holder in the company and who has nominated a director to the board of the company/responsible entity of the trust pursuant to a relevant agreement which gives them a right or expectation to do so;
- 10.11.4 an associate of a person referred to in Listing Rules 10.11.1 to 10.11.3; or
- 10.11.5 a person whose relationship with the company or a person referred to in Listing Rules 10.11.1 to 10.11.4 is such that, in ASX opinion, the issue or agreement should be approved by its shareholders,

unless it obtains the approval of its shareholders.

The issue falls within Listing Rules 10.11.1 and does not fall within any of the exceptions in Listing Rules 10.12. The Company therefore requires the approval of its shareholders under Listing Rule 10.11 for the issue.

RESOLUTION 10: APPROVAL OF THE ADDITIONAL 10% PLACEMENT CAPACITY UNDER LISTING RULE 7.

General

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

Listing Rule 7.1A provides that an Eligible Entity may seek shareholder approval by way of a special resolution passed at its Annual General Meeting to increase this 15% limit by an additional 10% to total 25% (**Additional 10% Placement Capacity**).

An 'eligible entity' means an entity that is not included in the S&P/ASX300 Index and which has a market capitalisation of \$300 million or less. The Company is an eligible entity for these purposes as its market capitalisation as at 21 October 2020 was approximately \$1.9 million.

Resolution 10 seeks shareholder approval by way of special resolution for the Company to have the additional 10% capacity provided for in Listing Rule 7.1A to issue equity securities without shareholder approval.

If Shareholders approve Resolution 10, the number of Equity Securities the Eligible Entity may issue under the 10% Placement Capacity will be determined in accordance with the formula prescribed in Listing Rule 7.1A.2.

The effect of passing Resolution 10 will be to allow the Company to issue Equity Securities up to a combined limit of 25% pursuant to Listing Rules 7.1 and 7.1A without any further shareholder approval. If Resolution 10 is passed the Company will be permitted to issue Equity Securities up to additional 10% of the Company's fully paid ordinary securities on issue under the Additional 10% Placement Capacity during the period up to a maximum of 12 months after the Meeting, without subsequent shareholder approval and without using the Company's 15% annual placement capacity granted under Listing Rule 7.1.

Resolution 10 is a special resolution. Accordingly, at least 75% of votes cast by Shareholders entitled to vote on this Resolution must be in favour of Resolution 10 for it to be passed.

If Resolution 10 is not passed, the Company will not be able to access the additional 10% capacity to issue equity securities without shareholder approval provided for in Listing Rule 7.1A and will remain subject to the 15% limit on issuing equity securities without shareholder approval set out in Listing Rule 7.1.

ASX Listing Rule 7.1A

Listing Rule 7.3A.1: A statement of the period for which the approval will be valid.

An approval under this rule 7.1A commences on the date of the Annual General Meeting at which the approval is obtained and expires on the first of the following to occur:

- the date that is 12 months after the date of the Annual General Meeting at which the approval is obtained; or
- the time and date of the entity's next annual general meeting; or
- the time and date of the approval by ordinary shareholders of a significant change to the Company's activities under ASX Listing Rule 11.1.2 or 11.2.

Listing Rule 7.3A.2: A statement of the minimum price at which the equity securities may be issued under rule 7.1A.2.

Any equity securities issued under rule 7.1A.2 must be in an existing quoted class of the eligible entity's equity securities and issued for a cash consideration per security which is not less than 75% of the volume weighted average market price for securities in that class, calculated over the 15 trading days on which trades in that class were recorded immediately before:

- the date on which the price at which the securities are to be issued is agreed is agreed by the entity and the recipient of the securities; or
- if the securities are not issued within 10 trading days of the date above, the date on which the securities are issued.

Equity securities that may be issued under Listing Rule 7.1A will only be in an existing quoted class of securities.

Listing Rule 7.3A.3: A statement of the purposes for which the funds raised by an issue of equity securities under rule 7.1A.2 may be used.

The Company may only issue equity securities under the Additional 10% Placement Capacity for cash consideration to raise funds for the development of the Company's existing assets, the acquisition of new assets or investments (including assets associated with such acquisition), to repay debt or to fund working capital.

The Company will comply with the disclosure obligations under Listing Rules 7.1A.4 upon issue of any equity securities under the Additional Placement Capacity.

Listing Rule 7.3A.4: the Company would like to remind all shareholders the risk of economic and voting dilution to existing ordinary security holders that may result from an issue of equity securities under rule 7.1A.2 including the risk that:

• the issue of equity securities under the Additional 10% Placement Capacity may result in voting dilution of existing ordinary shareholders (as shown in the table below). There is also the risk that:

- the market price for equity securities in that class may be significantly lower on the issue date than on the date of the Annual General Meeting; and
- the equity securities may be issued at a price that is at a discount to the market price for those equity securities on the issue date.

Table 1 below shows the dilution of existing Shareholders calculated in accordance with the formula outlined in ASX Listing Rule 7.1A.2 on the basis of the last sale price of Shares and the current number of ordinary securities quoted on ASX for variable "A" calculated in accordance with the formula in Listing Rule 7.1A.2 as at the date of this Notice.

The table also shows:

(i) two examples where variable "A" has increased, by 50% and 100%. Variable "A" is based on the number of ordinary securities the Company has on issue. The number of ordinary securities on issue may increase as a result of issues of ordinary securities that do not require shareholder approval (for example, a pro rata entitlements issue or scrip issued under a takeover offer) or future specific placements under Listing Rule 7.1 that are approved at a future Shareholders' meeting;

(ii) two examples of where the issue price of ordinary securities has decreased by 50% and increased by 50% against the last sale price of \$0.019; and

(iii) a way of further example where the issue price of ordinary securities is \$0.075.

Table 1

Issued Capital (Variable 'A' in ASX Listing Rule 7.1A2)	Dilution				
	Issue Price (per Share)	\$0.0095 50% decrease in Issue Price	\$0.019 Issue Price	\$0.038 100% increase in Issue Price	\$0.075 Issue Price

	Funds raised	\$96,541	\$193,082	\$386,164	\$762,167
152,433,341 (Current plus 50%)	Shares issued - 10% voting dilution	15,243,334	15,243,334	15,243,334	15,243,334
	Funds raised	\$144,812	\$289,623	\$579,247	\$1,143,250
203,244,454 (100% increase in Issued Capital)	Shares issued - 10% voting dilution	20,324,445	20,324,445	20,324,445	20,324,445
	Funds raised	\$193,082	\$386,164	\$772,329	\$1,524,333

The above table is based on the following assumptions:

- The number of shares on issue (Variable "A") is calculated as 101,622,227 being all the fully paid ordinary shares on issue as at the date of this Notice.
- The Company issues the maximum number of equity securities available under the Additional Placement Capacity.
- The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue.
- The table shows only the issue of equity securities under the Additional Placement Capacity and not under Listing Rule 7.1.
- The issue of equity securities under the Additional Placement Capacity includes only shares.
- The issue price of \$0.019 was the closing price of shares on ASX on 16 August 2019.
- The issue price of \$0.075 is shown by way of example only.

Listing Rule 7.3A.5: Details of the eligible entity's allocation policy for issues under rule 7.1A.2.

The Company's allocation policy for issues under the Additional Placement Capacity is dependent on prevailing market conditions at the time of any proposed issue. The identity of the allottees of the equity securities will be determined on a case-by-case basis having regard to the factors including but not limited to the following:

- the purpose of the issue;
- the methods of raising funds that are available to the Company, including rights issues or other issues in which existing shareholders may participate;

For personal use only

- the effect of the issue of the equity securities on the control of the Company;
 - the financial situation and solvency of the Company;
 - prevailing market conditions; and
 - advice from the Company's advisors; and
 - the number of issues it intends to make under the mandate and the time frame over which they will be made
- The Company confirms that no equity securities under Listing Rule 7.1A.2 have been issued in the 12 months preceding and at the time of dispatching the Notice of Meeting.

The Company has not issued any equity securities under Listing Rule 7.1A.2 in the past 12 months preceding the date of the AGM.

As the Company has no current plans to undertake a new capital raising using its additional 10% placement capacity, the allottees under the Additional Placement Capacity have not yet been determined but if such an exercise was undertaken, allottees may include existing substantial shareholders and/or new shareholders who are not related parties or associates of a related party of the Company

VOTING ENTITLEMENTS

In accordance with Regulation 7.11.37 of the Corporations Regulations, the Company has determined that for the purposes of the meeting, shares will be taken to be held by those persons recorded on the Company's share register at 2.00 pm Sydney time on 18 January 2021 (48 hours prior to the meeting). This means that any person not the registered holder of a relevant share at that time will not be entitled to attend and vote at the meeting.

PROXIES

A member entitled to attend and vote is entitled to appoint not more than two persons as his or her proxy to attend and vote instead of the member. A proxy need not be a member of the Company. If more than one proxy is appointed, the proxy form may specify the proportion or number of the member's votes that each proxy may exercise. If the proxy form does not specify a proportion or number of votes then each proxy may exercise half of the member's votes.

To be effective, proxy forms must be received by the Company at the address or email appearing on this notice at least 48 hours before the time for commencement of the meeting.
